

# PRECISION BIN TRACKING

Real-Time Tracking

Monitor team performance

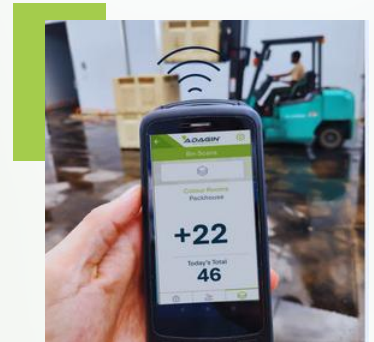

Make data driven decisions

# OUTCOMES AND BENEFITS

Managing your farm well means knowing **exactly what's happening** on it 24/7. Our Precision Bin Tracking module makes it easy to see where your **bins, teams,** and orchard **yields** stand **in real-time.**

## Outcomes

- Make proactive decisions based on reliable data
- identify & help teams that are underperforming
- Get a simple, detailed view of your orchard's output per bin and weight

- Bins scanned with QR code and/or RFID\*
- User-friendly mobile App
- Live Cloud based software
- Fast and easy onboarding

## Features

## Benefits

- Optimise decisions with live bin movement
- Improve team productivity
- Increase traceability
- Reduce bin loss

\*QR = Quick Read (Square Barcode)

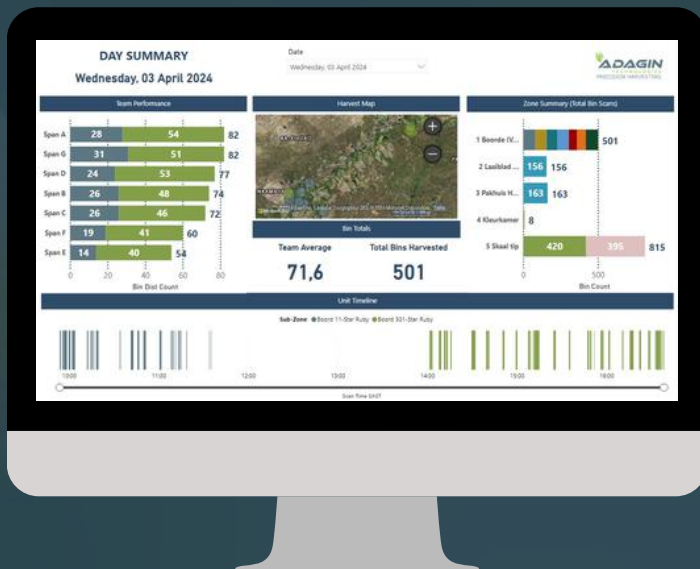

RFID = Radio Frequency Identification (Labels with antennas - reads up to 20m away)

# SOFTWARE AND DASHBOARDS

## INNOVATIVE TECH AT YOUR FINGERTIPS

Experience the future of farm management with our **user-friendly app** and **robust dashboard**. Designed with you in mind, our technology **simplifies** complex data, giving you **control** and **insights** like never before

### Dashboard Features

- **Intuitive design:** Interactive dashboards, user-friendly
- **Clear Visuals:** Easy to read and understand
- **Real-Time Access** from any desktop
- **Excel Export** of any data reports
- **Custom Filters:** Daily, weekly, monthly or seasonal filters to your data to see trends

### App Features

- **User-friendly:** Requires only 5 minutes of training
- **Accurate Data Entry:** Pre-set dropdowns ensure correct data collection
- **Location Tracking:** Each scan tagged with GPS location.
- **Offline capabilities**
- **Easy Updates:** All updates delivered through the App Store.

# HOW TO GET STARTED

## WE GUIDE YOU EVERY STEP OF THE WAY FOR A SEAMLESS START

1. **Contact Us:** Reach out to our team via phone or email. We're here to answer your questions and get you set up.
2. **Schedule a meeting:** See the Precision Bin Tracking module in action. We'll show you how everything works and what it can do for your farm.
3. **Sign Up:** Choose your plan and sign up. We'll guide you through the quick and easy process to bring precision to your farming.
4. **Onboarding & Training:** Our team will get you and your staff up to speed in no time, ensuring you make the most of every feature.

Unlock Your Farm's Potential—**Join Us Today!**
